INDEPENDENT AUDITOR'S REPORT

October 4, 2024

To the Board of Directors
Caniff Liberty Academy

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Caniff Liberty Academy, as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Caniff Liberty Academy's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of Caniff Liberty Academy, as of June 30, 2024, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Caniff Liberty Academy, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Caniff Liberty Academy's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caniff Liberty Academy's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Caniff Liberty Academy's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information, as identified in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

To the Board of Directors
Caniff Liberty Academy
Page Three

We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise Caniff Liberty Academy's basic financial statements. The accompanying additional supplementary information, as identified in the table of contents, including the schedule of expenditures of federal awards, as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the additional supplementary information, including the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 4, 2024 on our consideration of Caniff Liberty Academy's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Caniff Liberty Academy's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Caniff Liberty Academy's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

**CANIFF LIBERTY ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)**

Introduction

This section of the annual financial report presents management's discussion and analysis of Caniff Liberty Academy's financial results for the fiscal year ended June 30, 2024. Please read this along with the financial statements that follow for a comprehensive understanding of the financial position of the Academy.

Using This Report

The annual report consists of a series of financial statements and notes to those statements. The statements are organized so the reader can understand the Academy as a whole (government-wide statements) and also in more detail (governmental fund statements) showing the year's activity by fund.

Academy Wide Financial Statements

The Academy Wide Financial Statements appear first and report all assets and liabilities using the accrual basis of accounting, similar to the accounting method used by most private sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid. The statement of activities covers all of the Academy's services including instruction and support services which are financed through Unrestricted State Aid and State and Federal grants. In addition, revenue less expense results in the change in net position, which can either increase or decrease on an annual basis.

Fund Financial Statements

The Fund Financial Statements are reported on a modified accrual basis and are formatted to comply with the legal requirements of the Michigan Department of Education's Accounting Manual. The Academy uses funds to help control and manage money for specific purposes or to meet legal responsibilities for certain grants. Funds provide a detailed short-term view of the operations and services of the Academy, show how money flows through and out of funds, and the balances left at year-end. Reviewing the funds helps the reader consider whether the Academy is accountable for the resources taxpayers and others provide and gives insight into the Academy's overall financial health.

The relationship between governmental activities (Academy Wide Financial Statements) and governmental fund activities (Fund Financial Statements) will be reconciled later in the report.

The Academy's net position was \$4,466,661 at June 30, 2024. Net investment in capital assets of \$1,854,061 was computed by taking the original cost of the assets and subtracting the depreciation, amortization expense, and related debt. The remaining amount of net position \$2,612,600 is unrestricted and represents the accumulation of prior and current years' operations. The operating results of the general fund will have a significant impact on the change in unrestricted net position from year to year.

The Academy's results of operations for the years ended June 30, 2024 and 2023 are reported on the following page.

Funding for the above activities comes from a variety of sources. Some activities are partially funded by those who benefit from the programs or by grants and categoricals from governments and organizations. The remaining activities are paid for by the State Foundation Allowance and other revenues from local sources.

Budget Highlights

Caniff Liberty Academy's budget was developed according to the Uniform Budget Act of the State of Michigan requirements. The Act requires that the original budget for the upcoming fiscal year be approved prior to July 1, the start of the fiscal year.

<u>General fund</u>	<u>Original</u>	<u>Final</u>	<u>Variance</u>	<u>Actual</u>	<u>Variance</u>
Total revenue	\$ 7,518,489	\$ 9,433,660	20.30%	\$ 8,833,976	-6.79%
Total expenditures	7,605,112	9,359,709	18.75%	7,734,529	-21.01%
Excess revenue/expenditures	<u>\$ (86,623)</u>	<u>\$ 73,951</u>		<u>\$ 1,099,447</u>	

Changes to the original General Fund budget were as follows:

- When establishing the original 2023/24 revenue and expenditure budget in the summer of 2023 only estimates could be used due to the uncertain state of the amount of the per-pupil foundation grant and uncertainties regarding enrollment. Once student enrollment became known and State aid amounts became certain, in the winter of 2024 new budgets were prepared to reflect an increase in the number of students served from the original estimate.

While an increase in the number of students results in more revenue to the Academy, an increase in students results in required expenditures increasing as well.

**CANIFF LIBERTY ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)**

Final vs. Actual Budget

- Management believes that the final budget to actual results variances were not significant.

Academy's Funds

General Fund

The General Fund is the primary operating fund for the Academy. For fiscal year ending June 30, 2024, the fund increased by \$1,099,447.

Food Service Fund

The Academy maintained the school lunch program for the fiscal year. The food service fund balance decreased to \$123,392 at June 30, 2024.

Capital Assets

As of June 30, 2024, the Academy has \$2,418,571 in capital assets including the leased building, furniture and improvements, less depreciation and amortization.

	<u>2024</u>	<u>2023</u>
Equipment and improvements	\$ 2,411,673	\$ 1,727,100
Right to use - leased facility	2,869,493	2,869,493
Less accumulated depreciation/amortization	<u>(2,862,595)</u>	<u>(2,377,942)</u>
Net capital assets	<u><u>\$ 2,418,571</u></u>	<u><u>\$ 2,218,651</u></u>

Long-term Debt

The Academy entered into a lease obligation for the use of its school building. A summary of the transactions associated with this obligation follows.

	Balance <u>July 1, 2023</u>	Additions	Retirements	Balance <u>June 30, 2024</u>
Facility lease payable	<u>\$ 904,620</u>	<u>\$ -</u>	<u>\$ 340,110</u>	<u>\$ 564,510</u>

Conditions Affecting Next Year's Budget

Our Board members and administration consider many factors when setting the Academy's 2024/25 fiscal year budget. One of the most important factors affecting the budget is our student count. The state foundation revenue is determined by multiplying the blended student count by the foundation allowance per pupil. The blended count for the 2024/25 fiscal year is 10 percent and 90 percent of the February 2024 and September 2024 student counts, respectively. The 2025 budget was adopted in June 2024, based on an estimate of students that will be enrolled in September 2024. Approximately 60 percent of the total General Fund revenue is from the foundation allowance.

**CANIFF LIBERTY ACADEMY
MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)**

As a result, Academy funding is heavily dependent on the State's ability to fund local school operations. Based on early enrollment data at the start of the 2024/25 school year, we anticipate that the fall student count will be similar to the estimates used in creating the 2024/25 budget. Once the final student count and related per pupil funding is validated, State law requires the Academy to amend the budget if actual Academy resources are not sufficient to fund original appropriations.

Since the Academy's revenue is heavily dependent on State funding and the health of the State's School Aid Fund, the actual revenue received depends on the State's ability to collect revenues to fund its appropriation to academies. The State periodically holds a revenue-estimating conference to estimate revenues. Based on the results of the most recent conference, the State estimates funds are sufficient to fund the appropriation. The overall State economy remains a cause for concern, and the Academy will continue to be properly cautious in fiscal matters.

CANIFF LIBERTY ACADEMY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies

Caniff Liberty Academy was formed as a Charter School Academy pursuant to the Michigan School Code of 1976, as amended by Act 362 of the Public Acts of 1993 and Act No. 416 of the Public Acts of 1994. The Academy filed articles of incorporation as a nonprofit corporation pursuant to the provisions of the Michigan Nonprofit Corporation Act of 1982.

In June 2012, the Academy entered into an agreement with Oakland University to operate as a public school academy. The Academy began operations as a public school academy in the 2012/2013 school year. The Academy is required to act exclusively as a governmental agency and is prohibited to take any action inconsistent with its status as an entity authorized to receive state school aid funds pursuant to the State Constitution. Oakland University is the fiscal agent for the Academy and is responsible for overseeing the Academy's compliance with the contract and all applicable laws. The Academy pays Oakland University three percent of state aid as administrative fees. The total administrative fees incurred to Oakland University for the year ended June 30, 2024 was \$186,632.

Reporting Entity

The accompanying financial statements have been prepared in accordance with criteria established by the GASB for determining the various governmental organizations to be included in the reporting entity. These criteria include significant operational and financial relationships that determine which of the governmental organizations are a part of the Academy's reporting entity, and which organizations are legally separate component units of the Academy. The Academy has no component units.

A. Academy-Wide Statements

The statement of net position and the statement of activities display information about the Academy as a whole. The usual purpose of these statements is to distinguish between activities that are governmental and those that are considered business-type activities. Currently, all activities of the Academy are considered to be governmental.

The Academy-wide statements are prepared using the economic resources measurement focus and the full accrual basis of accounting. This basis is different from the manner in which the governmental fund financial statements are prepared. Therefore, reconciliations are included to identify the relationship between the Academy-wide statements and the statements for the governmental funds.

CANIFF LIBERTY ACADEMY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies (continued)

A. Academy-Wide Statements (continued)

The Academy-wide statement of activities presents a comparison between program expenses and program revenues; revenues that are not classified as direct program revenues are presented as general revenues. The comparison of program expenses and revenues identify the extent to which each program is self-financed or draws resources from the Academy.

The Academy-wide approach is focused more on the sustainability of the Academy as an entity and the change in the Academy's net position from the current year's activities.

B. Fund Financial Statements

The accounts of the Academy are organized on a fund basis. A fund is defined as a fiscal and accounting entity with a self-balancing set of accounts, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions or limitations.

The following fund types are used by the Academy:

Governmental Funds

The governmental fund statements are prepared using the current resources measurement focus and the modified accrual basis of accounting. The fund approach is focused on the currently available resources and changes in the currently available resources of the Academy.

General Fund is the general operating fund of the Academy. It is used to account for all financial resources except those that are required to be accounted for in another fund.

Special Revenue Funds are used to account for the proceeds of specific revenue sources that are restricted to expenditures for a specified purpose. The Special Revenue Fund maintained by the Academy is the Food Service Fund. The Food Service Fund is intended to be self-supporting.

Usually the emphasis in fund financial statements is on the major funds. The Academy has opted to display information for all funds without regard to the criteria for determination of major funds as determined by GASB 34. However, only the general fund met the criteria as a major fund.

CANIFF LIBERTY ACADEMY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies (continued)

C. Basis of Accounting

Basis of accounting refers to the point at which revenues or expenditures /expenses are recognized in the accounts and reported in the financial statements. Accounting basis relates to the timing of the measurements made regardless of the measurement focus applied.

Full Accrual

The full accrual basis of accounting requires recognition of revenues when earned and expenses when incurred, regardless of the timing of related cash flows. Grants, categorical aid, and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met. This method is used for the Academy-Wide statements.

Modified Accrual

The modified accrual basis recognizes revenues when they are measurable and available, available means collectible within the current period or within 60 days after year-end. Expenditures are still recognized when incurred; however, principal and interest on long-term debt is recognized when payment is due. This method is used for the Fund Level statements.

The most significant difference between the full accrual basis of accounting and the modified accrual basis of accounting is the way in which capital assets and long-term debt are recognized. The full accrual basis of accounting recognizes purchases of capital assets as an asset and long-term debt proceeds as a liability (similar to a for-profit business). The modified accrual basis of accounting recognizes the purchase of capital assets as expenditures and long-term debt proceeds as other revenue sources.

D. Financial Statement Amounts

Cash

Cash includes cash on hand and demand deposits.

Receivables

Receivables consist of all revenues earned at year-end but not yet received.

NOTE 1--Summary of Significant Accounting Policies (continued)

D. Financial Statement Amounts (continued)

Capital Assets and Depreciation

Capital assets purchased or acquired with an original cost of \$2,500 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at fair value as of the date received. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. The Academy does not possess infrastructure type assets.

Depreciation on all assets is provided on the straight-line method over the following estimated useful lives:

Computer equipment	3 years
Equipment and improvements	5-15 years

Accounts Payable

Accounts payable consist of items from which the Academy benefited during the current fiscal year but has not yet paid.

Unearned Revenue

Unearned revenue represents amounts for which the Academy has received or is due to receive but has not yet earned. Unearned revenue is usually caused by the receipt of grant program revenues in excess of expenses/expenditures related to the grant. The unearned revenues are deferred until the proceeds have been fully expensed/expended at which time they will be reclassified to earned revenues. The Academy had \$810,859 of unearned revenue at June 30, 2024.

Due to Management Company

Due to Management Company consists of administrative fees and unreimbursed expenses/expenditures that are due and payable for the current fiscal year.

Inter-fund Activity

Inter-fund activity is reported as transfers and is eliminated upon consolidation.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies (continued)

In the fund financial statements, governmental funds report the following components of fund balance:

- Nonspendable – Amounts that are not in spendable form or are legally or contractually required to be maintained intact.
- Restricted – Amounts that are legally restricted by outside parties, constitutional provisions, or enabling legislation for use for a specific purpose.
- Committed – Amounts that have been formally set aside by the Board of the Academy for use for specific purposes. Commitments are made and can be rescinded only via resolution of the Board of the Academy.
- Assigned – Intent to spend resources on specific purposes expressed by the Board of the Academy.
- Unassigned – Amounts that are available for any purpose.

The Academy did not have any nonspendable, restricted, or assigned fund balance as of June 30, 2024.

Net position flow assumption

Sometimes the Academy will fund outlays for a particular purpose from both restricted (e.g., restricted bond or grant proceeds) and unrestricted resources. In order to calculate the amounts to report as restricted – net position and unrestricted – net position in the government-wide fund financial statements, a flow assumption must be made about the order in which the resources are considered to be applied. It is the Academy's policy to consider restricted – net position to have been depleted before unrestricted – net position is applied.

Fund balance flow assumptions

Sometimes the Academy will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the Academy's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

CANIFF LIBERTY ACADEMY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies (continued)

Deferred outflows/inflows of resources

In addition to assets, the statement of financial position/balance sheet will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The Academy had no items that qualify for reporting in this category.

In addition to liabilities, the statement of financial position/balance sheet will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The Academy had no items that qualified for reporting in this category.

Leases

The Academy is a lessee for noncancelable lease of a building. The Academy recognizes a lease liability and an intangible right-to-use lease asset in the government-wide financial statements. The Academy recognizes lease liabilities with an initial, individual value of \$10,000 or more.

At the commencement of a lease, the Academy initially measures the lease liability at the present value of payments expected to be made during the lease term. Subsequently, the lease liability is reduced by the principal portion of lease payments made. The lease asset is initially measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset is amortized on a straight-line basis over its useful life.

Key estimates and judgements related to leases include how the Academy determines (1) the discount rate it uses to discount the expected lease payments to present value, (2) lease term, and (3) lease payments.

- The Academy uses the interest rate charged by the lessor as the discount rate. When the interest rate charged by the lessor is not provided, the Academy generally uses its estimated incremental borrowing rate as the discount rate for leases.
- The lease term includes the noncancelable period of the lease.

CANIFF LIBERTY ACADEMY
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1--Summary of Significant Accounting Policies (continued)

The Academy monitors changes in circumstances that would require a remeasurement of its lease and will remeasure the lease asset and liability if certain changes occur that are expected to significantly affect the amount of the lease liability.

Lease assets are reported with other capital assets and lease liabilities are reported with long-term obligations on the statement of the lease liability.

Subsequent Events – The financial statements and related disclosures include evaluation of events up through and including October 4, 2024, which is the date the financial statements were available to be issued.

NOTE 2--Stewardship, Compliance, and Accountability

The Academy formally adopted a General Fund and Food Service Fund budget by activity for the year ended June 30, 2024. State law requires the Academy to have its budget in place before July 1. Unexpended appropriations lapse at year-end; encumbrances are not formally recorded.

The budget has been prepared in accordance with accounting principles generally accepted in the United States of America. Budgeted amounts presented in the financial statements are amended by the Board of Directors.

State law permits Academies to amend their budgets during the year. The budgetary comparison presents information by fund and function. The legal level of budgetary control adopted by the governing body (i.e., the level at which expenditures may not legally exceed appropriations) is the function level. Expenditures in excess of amounts budgeted are a violation of Michigan law.

The Academy's expenditure budget variances are illustrated in the required supplemental information.

NOTE 3--Deposits and Investments

The Academy is authorized, by the State of Michigan, to deposit its funds in banks, savings and loan associations, or credit unions having a principal office in Michigan.

The Academy is also authorized to invest in the following:

- a. Direct bonds and obligations of the U.S. or agency or instrumentality,
- b. CDs, savings accounts with banks, savings and loan associations, or credit unions which are insured with the applicable federal agency,
- c. Commercial paper – within three highest rate classifications by at least two rating services, maturing not later than 270 days,

CANIFF LIBERTY ACADEMY

NOTE 3--Deposits and Investments (continued)

- d. U.S. or agency repurchase agreements,
- e. Banker's acceptance of U.S. banks, and
- f. Mutual funds – investments which local unit can make directly.

As of year-end, the carrying amount of the Academy deposits was \$3,118,044 and the bank balance was \$3,202,093. All cash is deposited in a federally insured financial institution. The Academy had uninsured bank balances of \$2,952,093 at June 30, 2024. The Academy has not adopted an investment policy and does not hold any investments.

NOTE 4--Capital Assets and Accumulated Depreciation/Amortization

Allocation of depreciation and amortization to a specific program/function is not practical. Therefore, depreciation totaling \$197,704 and amortization totaling \$286,949 were not allocated for the year ended June 30, 2024.

NOTE 5--Risk Management

The Academy is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. During the year ended June 30, 2024, the Academy carried commercial insurance.

NOTE 6--Management Contract

On June 14, 2012, the Academy entered into a management agreement with Education and Management Networks, Inc. (EMAN). The agreement was extended for an additional five-year period in September 2022. The Academy's Board shall provide notice to EMAN in writing at least 60 days prior to the expiration of the agreement of its intent to terminate or renegotiate the agreement. In the event that the Board does not provide notice to EMAN at least 60 days prior to the expiration of the agreement, the agreement will automatically renew for an additional five year academic period.

Under the direction of the Academy's Board, EMAN is responsible for all of the management, operation, administration, and education at the Academy. EMAN is responsible for the implementation and administration of the educational program; recruiting, hiring and employing the principal, teachers, other professional staff at the Academy; all human resources and professional development for the Academy's staff; and development, review, and implementation of the Academy's curriculum; and all other functions which are typically associated with the operation and administration of a public school and a public school district.

Management fees are calculated based on 12% of all funds received by the Academy either directly or indirectly, attributable to a school year during which EMAN provides services under the management agreement with the exception of donations made to the Academy. The total management fees incurred by the Academy for the year ended June 30, 2024 was \$1,127,442.

The Academy incurred rental expense for its building of \$611,283 for the year ended June 30, 2024.

NOTE 12--Upcoming Accounting Pronouncement

In December 2023, the GASB issued Statement No. 102, *Certain Risk Disclosures*. This Statement requires a government to assess whether a concentration or constraint makes the government vulnerable to the risk of a substantial impact. Additionally, this Statement requires a government to assess whether an event or events associated with a concentration or constraint that could cause the substantial impact have occurred, have begun to occur, or are more likely than not to begin to occur within 12 months of the date the financial statements are issued. If a government determines that those criteria for disclosure have been met for a concentration or constraint, it should disclose information in notes to financial statements in sufficient detail to enable users of financial statements to understand the nature of circumstances disclosed and the government's vulnerability to the risk of substantial impact. The Academy is currently evaluating the impact this standard will have on the financial statements when adopted during the 2024-2025 fiscal year.

INDEPENDENT AUDITOR'S REPORT
ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

October 4, 2024

To the Board of Directors
Caniff Liberty Academy

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the remaining fund information as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise Caniff Liberty Academy's basic financial statements and have issued our report thereon dated October 4, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Caniff Liberty Academy's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Caniff Liberty Academy's internal control. Accordingly, we do not express an opinion on the effectiveness of Caniff Liberty Academy's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

To the Board of Directors
Caniff Liberty Academy
Page Two

A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Caniff Liberty Academy's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE
FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER

Caniff Liberty Academy

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Caniff Liberty Academy's compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of Caniff Liberty Academy's major federal programs for the year ended June 30, 2024. Caniff Liberty Academy's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Caniff Liberty Academy complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2024.

Basis for Opinion on Each Major Federal Program

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Caniff Liberty Academy and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Caniff Liberty Academy's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Caniff Liberty Academy's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Caniff Liberty Academy's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and Uniform Guidance will always detect a material noncompliance when it exists. The risk of not detecting a material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Caniff Liberty Academy's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Caniff Liberty Academy's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Caniff Liberty Academy's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Caniff Liberty Academy's internal control over compliance. Accordingly, no such opinion is expressed.

To the Board of Directors
Caniff Liberty Academy
Page Three

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal, and certain internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

NOTE 1--Basis of Presentation

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of Caniff Liberty Academy's programs of the federal government for the year ended June 30, 2024.
